ARTE

Training & Assessment

The College of Traffic Management

- Developing Tools & Systems
- Training Curriculum
- Imparting Training

- Motor Licensing Officers
- Driver Training Schools
- Organizations with Large Fleets

INSTITUTE OF ROAD TRAFFIC EDUCATION

Road Environment

The College of Traffic Management

- Developing Tools & Systems
- Training Curriculum
- Imparting Training

- Develop basis of Research for the development of :
  - Standards of Road Geometrics
  - Traffic Control Devices

  especially integrating the mixed traffic & segregating traffic
- Introduction of the Science of Traffic Engineering at all levels of City, highway, State
- Introducing of Road Safety Audits within road making & maintenance department at Concept, Design, Implement & Post Operative Stages.

INSTITUTE OF ROAD TRAFFIC EDUCATION

Legislation & Enforcement

The College of Traffic Management

- Developing Tools & Systems
- Training Curriculum
- Imparting Training

- Legislation needs to be regularly updated based upon the factual needs of Safety and Control.
- Introduction of technology corresponding to the needs of traffic and road traffic violation.
- Training of Police at different levels.
- Introduction of Scientific Road Crash Investigation & Analysis.
